Notes :

1 The above standalone and consolidated financial results of the Company have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015, (as amended), including Companies (Indian Accounting Standards) Amendments Rules, 2019.

2 The above standalone and consolidated financial results have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on July 10, 2020.

3 During the current year, the Company has provided income tax provision as per the Minimum Alternate Tax (MAT) in terms of the provisions of section 115JB of the Income Tax Act.
Deferred tax (credit) for the year ended March 31, 2020 includes MAT credit entitlement amounting to Rs. 12.23 crore. In the previous financial year, the Company has provided income tax provision as per regular tax provisions.

4 Pursuant to the Taxation Laws (Amendment) Act, 2019, a new section 115BAA is inserted in the Income Tax Act, 1961 which provides an option to the domestic companies to pay income tax at lower rate ("New tax rate") subject to the giving up of certain incentives and deductions. The Company has made an assessment of the impact of the above section and decided to continue with existing taxation structure to avail tax incentives and deductions available to the Company. However, the Company has applied the new tax rate on the deferred tax liabilities on account of temporary differences to the extent these are expected to be realized or settled in the future period when the Company will opt for new tax rate. Accordingly, Company has remeasured the outstanding net deferred tax liability and reversed the amount of Rs.127.23 crores in statement of profit and loss.

5 Excess tax provision written back during the previous quarter ended December 31, 2019 and year ended March 31, 2020 of Rs. 6.29 crores and Rs. 10.64 crores respectively represents adjustment of earlier year's current tax provision as per the books of accounts compared to tax liability acknowledged in respective year's income tax returns / assessed tax liabilities.

6 In view of Department of Fertilizers (DoF) notification dated March 30, 2020 removing ambiguities in modified NPS III relating to additional fixed cost, the Company has revisited its earlier stand on de-recognition of subsidy already accounted from April 01, 2014 till March 31, 2018 and thereafter till December 31, 2019. The period wise details are as under:

Period	Amount (In cr)
April 01, 2014 to March 31, 2018 (reinstatement of written off subsidy)	127.38
Accrual for FY 2018-19	31.85
Accrual for nine months ended December 31, 2019	26.52
Accrual for quarter ended March 31, 2020	5.32
Total subsidy Income recognised	**191.07**

The results for quarter and year ended March 31, 2020 includes above adjustment. This is part of Fertilizer segment in segment results.

7 The company has adopted Ind AS 116, effective from annual reporting period beginning April 01, 2019 and applied to its leases, retrospectively, with the cumulative effect of initially applying the standard, recognised on the date of initial application (April 01, 2019). Accordingly, the Company has not restated comparative information and recognized right-of-use assets at an amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments relating to the leases recognised in the balance sheet immediately before the date of initial application. This has resulted in recognizing a right-of-use assets of Rs. 3.46 crores and a corresponding lease liabilities of Rs. 3.46 crores. There is no impact on the retained earnings as at April 01, 2019 on adoption of this standard.

In the financial results of the Company, the nature of expenses in respect of operating leases has changed from lease rent in previous periods to depreciation cost for the right-of-use asset and finance cost for interest accrued on lease liability. The adoption of Ind AS 116 did not have a material impact on the result for the quarter and year ended March 31, 2020.

8 The comparative Ind AS consolidated financial information and segment information of the Company for the corresponding quarter ended March 31, 2019 have not been subjected to audit or limited review but have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on July 10, 2020.

9 During the quarter, the Company has surrendered its exemption to hold contribution in Employees' Provident Fund Trust of the Company (GNFC-EPFT) to Employees' Provident Fund Organisation (EPFO). In this process, the Company has recorded expenditure of Rs. 43.73 crore and Rs. 51.42 crore during the quarter and year ended March 31, 2020 respectively towards its obligation to meet the shortfall in the value of investments held by GNFC-EPFT as under:

(Rs in crores)

Particulars	Quarter ended	Year ended
	31-03-2020	31-03-2020
Loss on fair value of investments	49.75	49.75
Interest shortfall between interest earned by GNFC-EPFT and the interest notified by the Government for FY 2019-20.	11.92	11.92
Write back of adhoc provision for Investment of GNFC-EPFT already accounted in corresponding quarter ended March 31, 2019.	(10.25)	(10.25)
Reversal of adhoc provision for Investment of GNFC-EPFT already accounted till nine months ended December 31, 2019.	(7.69)	-
Total loss recognised under employee benefit expenses.	**43.73**	**51.42**

The net payment made to PF trust is against investments taken over by the Company at fair value as at March 31, 2020 and accordingly the outflow is part of investment activity to the extent of Rs. 758.92 crores and classified under other current financial asset.

10 One of the key industrial products i.e. Toluene Di Isocyanate (TDI) has witnessed very sharp price erosion since mid of financial year 2018-19 and has continued its downward spiral till March31, 2020 and still is yet to recover. Since the Company has made heavy investments in TDI-II facilities at Dahej, it has in pursuance of "Indian Accounting Standard (Ind AS - 36) - Impairment of Assets" carried out impairment assessment of its TDI Dahej plant. The recoverable amount of the relevant assets has been determined on the basis of their value in use. In estimating the future cash flows, management has based on externally available information, made certain assumptions relating to the future raw material prices, future TDI prices, operating parameters and the assets useful life which management believes reasonably reflects the future expectation of these items. The Company has also carried out sensitivity analysis of the assumptions used while estimating the future cash flow to derive the value in use. Accordingly the management has concluded that no impairment is required to be recognised in respect of the TDI Dahej Plant during the year ended March 31, 2020. However the assumptions on which the assessment was made are being monitored on a periodic basis by the management.

11 During the current quarter, the Company has received updated Demand Notice of Rs. 16,359.21 crores from the Department of Telecommunications (DoT), Ministry of Communications, Government of India, Gujarat Telecom Circle, Ahmedabad, vide its letters dated February 17, 2020 and March 05, 2020, (including interest and penalty computed till March 31, 2020) towards license fee in respect of "Very Small Aperture Terminal" (V-SAT) License and "Category A - Internet Service Provider" (ISP) License for the financial years from FY 2005-06 to FY 2018-19. Earlier, the Company had also received an initial Demand Notice from DOT dated December 23, 2019 amounting to Rs. 15,019.97 Crores (including interest and penalty). The Company has made representations to the DoT against the said demand Notices.

The Company has evaluated the assessment made by DoT for raising the above demand notices based on the Adjusted Gross Revenue (AGR) judgement of Hon'ble Supreme Court of India on October 24, 2019 and based on legal assessment the company has good grounds on merit to defend itself in this matter. Hence no provision is necessary in this financial results. Recently, Hon'ble Supreme Court vide its Order dated June 11, 2020 directed DoT to reconsider the demand raised on Public Sector Undertakings ("PSUs"), which are not in business of mobile services to the general public. In pursuance of this, on June 18, 2020 DoT has filed an affidavit with Hon'ble Supreme Court in respect of demand raised on PSUs the final outcome of which is likely to happen in subsequent hearing of Hon'ble Supreme Court. As at reporting date, the Company has not received any update from DoT regarding the demand.

12 The outbreak of Coronavirus (COVID -19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. In India, the nation-wide lockdown was announced from March 25, 2020 due to COVID-19 pandemic. The lockdown has impacted the demand for the Company's products & services especially, the industrial products. The demand in overseas market is also severely impacted due to COVID-19. For the year ended March 31, 2020, the Company's operations were scaled down by the management in the last week of March, 2020 given the demand scenario in the market. The Company was quick in restoring the operations ensuring health, safety and well-being of its employees in the given scenario and COVID-19 has not impacted the Company's operations for the year ended March 31, 2020.

Further, the Company has also assessed the impact of this pandemic on recoverability of the carrying amount of inventories, tangible assets, intangible assets, trade receivables, investments and other financial asset as at balance sheet date using various internal and external information. The management has also performed sensitivity analysis on the assumptions used and based on present estimates it believes that the carrying amount is considered to be recoverable and accordingly no further adjustments are required in the financial statements. However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration and the Company continues to monitor the changes in future economic conditions. Further the Company has zero long term debt outstanding as at March 31, 2020 and has substantial working capital lines which are available, should the need arise.

The management does not see any risk in the ability to continue as a going concern and meeting its liabilities as and when they fall due. However the actual impact of COVID-19 on the Company's financial statements may differ from that estimated.

13 The Board of Directors has recommended a dividend of Rs. 5 per equity share of Rs. 10 each (i.e 50% %) for the year ended March 31, 2020, subject to the approval of shareholders in ensuing Annual General Meeting.

14 The figures of the current quarter ended March 31, 2020 and corresponding previous quarter ended March 31, 2019 are the balancing figures between audited figures in respect of the full financial year ended March 31, 2020 and March 31, 2019 and the unaudited published year to date figures upto December 31, 2019 and December 31, 2018 respectively being the date of the end of the third quarter of the respective financial year which were subjected to limited review.

15 Previous periods' figures have been regrouped wherever necessary.

Management's Responsibilities for the Standalone Financial Results

The Statement has been prepared on the basis of the standalone annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit/(loss) and other comprehensive loss of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section.133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
